# WELCOME BACK

## A message from Ian Duffy, President

We have come a long way since the founding of Royal Irish Tours back in September 2001. After working for 25+ years in the travel industry, I decided it was time to follow my passion and organize memorable vacation experiences for guests to my favourite place and homeland, Ireland. After a few tough years getting the wheels in motion, the company grew and I was able to add more staff, many of whom are still with us today. And now, as we are about to enter our 22nd year I am still so grateful that Royal Irish Tours will continue to offer authentic experiences to Ireland and the UK.

There have been many ups and downs throughout the years, and the challenges of the last two and a half years have really tested the resiliency of this industry and the wonderful people who work in it. I am very proud that Royal Irish Tours has weathered this latest storm and we are delighted to welcome you - our valued guests - back to Ireland, Scotland, England and Wales.

In 2023, we are excited to continue to show the best of Ireland, Scotland, England and Wales to you. We pride

ourselves on having a great team in-destination, from the amazing drivers who navigate the winding country roads so elegantly, to the fabulous guides, whose encyclopedic knowledge of their home country really brings the destination to life. Over the years, we have built great relationships with many local suppliers, such as hoteliers and visitor attractions, and we are excited to continue to work with them to showcase that warm hospitality Ireland & the UK are famous for.

So, after 21 years and counting, I just want to say a big thank you to everyone for making Royal Irish Tours what it is today. We are very thankful and grateful so many have chosen to experience these destinations with us in the past, and we cannot wait to show them to you in the future as well.

**From all of us at RIT, thank you, and happy travels.**

**Ian Duffy**  
Founder and President
