CELEBRATING *17 years*

Canadian Company, Celtic Heritage

This year, we celebrate 17 years of sharing Ireland & the U.K. with you.

It's been our genuine pleasure to invite you to experience Scotland, England & Wales up close and personal, and we're proud of the part we've played in helping to create thousands of exceptional vacations. As our business has grown during this time, the fundamental purpose of RIT has remained the same: to give you an authentic, hand-crafted vacation experience that you won't soon forget.

The authentic Celtic experience, created with care.

We can recommend our tours to you because we've experienced them ourselves. Our staff have explored the underground vaults in Edinburgh and hiked the West Highland way. We've cruised along Loch Ness and discovered charming family run B&B's and seaside manor houses with inviting fireplaces. From the magical Isle of Skye to the world famous greens at St Andrews—we've seen it all, and can't wait to share it with you!

We want you to feel the same enthusiasm about Scotland that we do. With us, your vacation is in good hands.

Celtic roots run deep at RIT.

Though Canada is home for the Duffy family, Celtic roots are in our blood. This patriotic love is the driving force behind everything we do. We pride ourselves on the unparalleled, personal experiences that we make possible through our strong familiarity with the land and its locals. The care we have for our homeland will be evident throughout every detail of your tour.

One name, four spectacular destinations.

As we open tours to new regions of the British Isles and beyond, our priority is that we don't forget where we came from. For this reason, we've rolled all of our tours in under the name of RIT. Under this banner, we are proud to present you with your 2018 vacation options. Happy travels!

Travel is our greatest passion...

For 17 years now it has been a great pleasure to offer our clients some of the best holidays available to both Britain and Ireland. We love to travel and we love to share these experiences with you. The enclosed selection of premium first class coach tours, sightseeing tours and superb driving holidays have been carefully designed by our wonderful staff to make sure that you enjoy Britain the way we do. We have used all our passion, knowledge and enthusiasm to create the many holiday choices offered in this brochure. Please take your time and read through each page and find the holiday that suits you. The next part is easy—just book it and start planning your holiday of a lifetime knowing you are in expert and knowledgeable hands.

We look forward to welcoming you to Britain and helping you make travel your greatest passion.

2018 is the year to remove Scotland, England, or Wales from your bucket list.

Safe travels,

Ian Duffy,
FOUNDER & PRESIDENT

THANK YOU *for a great experience!*

“
My wife and I just got home yesterday and wanted to send a note to say how much we loved our trip. Before saying anything else, we want to praise the staff of RIT. The accommodations were lovely and the staff were wonderful at each. Both my wife and I have fallen in love with Scotland and Ireland, so much so that you will probably hear from us for a return trip to see some of the places we have picked as favourites. When we do, we're hoping to see Maggie, Hugh and Joseph again.

Sincerely,
Emerson and Kathleen

“
In the past few years we have traveled far and wide, gradually working through our most extensive "bucket list," and have had many positive experiences and some that were not so positive. However, I can definitely say that the experience that Alan provided for us stands out in the most wonderful way! Visiting the highlands of Scotland, including the Isle of Skye, has been a personal dream of mine for most of my 60 years. Many thanks to Royal Scottish Tours for providing me with this outstanding trip of a life time!

Sincerely,
Patti
